

Professional trade show Hannover Messe

From 31 March to 04 April

The world's largest trade show dedicated to industry will be back from March 31 to April 4, 2025. For its first participation in the event, HAROPA PORT will be present on the NextMoove pavilion, alongside Choose Paris Region. Published on 2/01/2025 - Updated 6/03/2025

For five intense days, this **60m2 collective pavilion will be the stage for B2B meetings and networking events**. This event represents a key opportunity for HAROPA PORT to exchange ideas with world leaders, explore new synergies and take part in debates on major industrial issues.

HAROPA PORT teams will be highlighting the many assets of France's lading port:

- a **strategic location** linking the Paris region to major international markets via the Seine and the sea, from the ports of Le Havre and Rouen,
- **modern infrastructures**, connected to river, rail, road and sea networks,
- complete, sustainable solutions for the operation and development of industrial activities, as well as a wide choice of surface areas and turnkey or development sites.

Visit HAROPA PORT on Stand B40 (Hall 17).
