Alongside strategic partners, **HAROPA PORT will be exhibiting to showcase its logistics and infrastructure offering**, specially designed to meet the needs of the seafood industry and companies specializing in seafood products.

With over 1.1 million m³ of refrigerated/frozen logistics and dedicated facilities at port terminals, HAROPA PORT is France's leading port for temperature-controlled goods, and is thus a major player for processed and frozen fish and seafood imports.

In 2022, 20,500 full inland TEUs transited through the port, 95% of which were imports.

Meet France's leading port on booth E600 (hall 1), alongside SEAFRIGO, GODFROY and GEPIFEC.
