

Professional trade show Seatrade Cruise Global

From 07 April to 10 April

From April 7 to 10, 2025, HAROPA PORT will be in Miami for the Seatrade Cruise Global show, the must-attend event for the cruise industry.

Present alongside GIP Le Havre Croisières on the Cruise Europe pavilion, the port will be highlighting the electrification of Le Havre's cruise terminal, a flagship project in the decarbonization of its activities.

Hervé Géraud, in charge of **electrical power supply for cruise ships**, will support the **GIP Le Havre Croisières** to present the RENAQ project soon to be operational **at the Le Havre cruise terminal**. In particular, he will provide his technical expertise on the equipment installed on the Pointe of Florida, as well as on the procedures for connecting ships to the power supply.

Did you know? By 2030, all ships calling at European ports must be able to connect to onshore power.
