APRIL 16 | 17 2025

LA ROCHELLE - FRANCE

For two days, the show will be the perfect place to exchange ideas, innovate and anticipate developments in the sector. On-site attractions include:

- **stands** showcasing the major players in maritime logistics,
- **business meetings** to encourage collaborations and partnerships,
- **conferences** led by experts to discuss market challenges and opportunities.

HAROPA PORT teams will be **on hand to share** with interested parties the **breakbulk and heavy-lift expertise of the France's leading port**. Among its assets:

- its ability to handle all types of cargo in a variety of packaging,
- its port terminals specialized in handling heavy packages, all linked to multimodal connections.

Visit HAROPA PORT on booth 92, shared with Marfret.
