

business event USA - Canada Mission

From 07 April to 10 April

As part of its development strategy, HAROPA PORT will be visiting New York and Toronto from 7 to 10 April 2025.
Published on 31/03/2025 - Updated 3/04/2025

Kris Danaradjou, Director of Development, and Cédric Virciglio, Director of Strategic Steering, will be meeting with **American and Canadian companies looking to optimise their trade flows with France**, drawing on the strategic advantages of France's leading port in terms of connectivity, logistics innovation and ecological transition.

The trip will also be a great time to strengthen existing partnerships, explore opportunities for transatlantic cooperation, and support companies as they expand into the European market.

New York

After a visit to the *French Consulate General in New York*, the HAROPA PORT delegation will take part in a business lunch co-organised with the *Traffic Club of NY* and the *Port of New York & New Jersey*.

Toronto

On Wednesday 9 April 2025, the port will be present at a morning of exchanges co-organised with the *Port of Montreal*.
