A closer look: Lyon Port Edouard Hériot multimodal terminal

- A combined rail/road transport platform
- 15 hectares of customs-bonded storage area
- 22 km of rail line connected to the French rail network
- Freight handling: 2 gantry cranes, 1 mobile crane and 8 reach stackers
- Storage free time: 7 days (full) - 3 days (empty)
- Hazardous goods accepted

►► This new offer means that there are now nine weekly services between Le Havre and the Lyon area. Delta Rail's offering is additional to that of Naviland Cargo, which runs 7 round trips a week between HAROPA PORT and Lyon Vénissieux terminal.

Good to know!

Emitting **9 times less CO²** than road transport, rail offers an ecological alternative to the "all road" option. The new service contributes in this way to the decarbonisation of the logistics chains going through HAROPA PORT.
